TO THE READERS OF THE APPEAL. The constantly cularging circulation of the ArrEAL, and the generous support given to both the Dally and Weekly issues by city and country, assure the proprietors of the general approval by the public of its course since it. its Past is the pictige it offers for the Future.

It will continue to endeavour, in accordance with the motto which it has adopted, to say these teings only that are true and honost. It

pression, of one man or many; and to all en-

maintain the rightful supremacy of the civil vain.

THE DUTY OF A PATRIOT. "I cannot praise a fugitive and cloistered virtue, unexercised and unbreathed, that never sallies out and seeks ber adversary, but slinks out of the race, when that immortal garland is to be run for, not without dust and heat."

Whose undertakes to do his duty as a patriot in the dark and dangerous periods of the life of a commonwealth, must expect not only to arouse the anger and emnity of those who are interested and impassioned to maintain the abuses which he assalis and to carry forward the measures which he deems dangerous and wicked, but also to endure the censure wicked, but also to endure the censure and the fretful discontent of many who agree with him in opinions, but think it wiser to temporise, or fear to declare

Sinte the worst of all tyrannies, the state of the free field of the free fields and vehemence as to felter, not only the bodies but the minds of men, who labour to introduce into the field of the free fields and vehemence as to felter, not only the bodies but the minds of men, who labour to introduce into the field of the fi wiser to temporise, or fear to declare themselves openly, lest danger or loss shall come of it, or regard the course he pursues as impolitic and calculated to estates makes them treacherous to the think agreeable to truth, to justice and His views do not at all coincide truth, and those who seek preferment. whose apprehensions sometimes lead

Those whose convictions of duty are strong and clear, and who follow them but because it is their nature to be per-sistent and to resist aggression, are too he has fallen short, as we have, of the wiser to be more politic and in yield to mark, need not regret to have lived. apt to Judge those harshly who think it what seems impossible to be successfully resisted; and still more those who unjust, at last come to abandon their

we hardly know how or why. We only feel that we have done so honestly, however the world may judge us, and however the world may judge us, and however harshly we judge others, who have only done the same. Tergiversation and abandonment of principle oftener proceeds from weakness than from wickedness, is not always inconsistent with worth and political honesty of purpose, does not deserve a too bitter condemna
vice and consent of the Senate: and in doing so have apostatized from the principle of the professed to be governed only three years ago. We are indebted to be governed only three years ago. We are indebted to the Louisville Courier for the following proof of this signal apostacy:

In 1864 the leaders of the radical party desired the removal of Mr. Montgomery Bisir from the cabinot. He was at that

him, either because they feel his persistent opposition as a reproach, or because they think it calculated to exasperate they think it calculated to exasperate their conquerors, and provoke them to

And yet it is sad to see one who in the Congress of the United States, only seven short years ago, was foremost among his peers in defence of what he claimed to be the rights of the South in the common territory, and in vindicathe common territory, and in vindication of the rights of the States; who was Trumbull, Ill.; James Harian, Iowa; J. adjourned, after a session of several days. eager for secession and indifferent as to its consequences; who served during the whole war in the Confederate Congress; now taking the field to urge his former constituents to consent to negro-suffrage, to reconstruct under the pressure of despotism, to vote with their former slaves, and to send delegates to sit in Convention with negroes. Six months ago he agreed with us, but thought it wiser not Vt.; T. O. Howe, Wis. to exasperate those who had us in their

theless and to see one forced by the pressure of circumstances to do that, which
to have suggested to him as possible,
only two years, may, only a few months
ago, he would have resented as an insult ago, he would have resented as an insult only to be stoned for with blood.

It is the saddest of all the consequences of the disturbed condition of the country, and of the oppressions and apprehensions that weigh so heavily upon men, that we lose confidence in one another, aris, cease to rely upon the firmother, aris, cease to rely upon the firmother, aris, and to deep the country of the case and supplying its place with a certain gas, which the discoverer claims contains the requisite preserving qualities. He even expresses the belief that the body in course of the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition. On the commencement of the experiment, shows no signs of decomposition.

MENDINS APPEAL others. You say what you know other men think; you express in words what We take the following portrait of you know they feel; and you either elicit STANTON, full-length and life-like, from BY TELEGRAPH no sympathetic response, or only a cold the National Intelligencer. If the and monosyllable assent, or a besitating damning record thus made were in any nonstrance; or, to your surprize, you respect untrue, there are thousands who Night Dispatches. find them opposing you and doing that could contradict it. Read it, men of the for which you find it impossible to be-

lieve they do not hate themselves. To- ernment can come to be in time of war : day, one tells you that he is convinced, and will advise those whom he has here-tofore represented in the Legislature matic by nature, he forced those about martial, to meet at Fort Leavenworth on tofore represented in the Legislature of his State, as a Democrat and him into one of two positions. They must become the obedient servitors of his wishes or his defiant opponents. Brusque in his manners even to rudeness, imperisons line for him. And yet it would be unwise and unjust to impute to political dishonesty that which is but the vacilitation caused by oppressive elegants. They must become the obedient servitors of his wishes or his defiant opponents. Brusque in his manners even to rudeness, imperisons in his manners even to rudeness, imperisons line in his into one of two descriptions. They may like it in the into one of two positions. They may like it in its to describe in his into one of two positions. They may like it in its in the into of September, of September, for the trial of Bvt. Maj.-Gen. C sive circumstances which his life-long tration of the war department he convictions are not strong and firmly-when he dared, he builted. But when coted enough to resist. ooted enough to resist.

We have often enough been remon- hitest influence, or of manly independ

strated with for uttering thoughts which might, perhaps, exasperate our masters, eringed. If the records of what has might, perhaps, exasperate our masters, cringed. If the records of what has not only by those who are always in transpired in the war department for the what Charles Land, we think, calls last five years could be iairly unveiled, it would be twilight of dublety," not only by those who are "of little faith;" but by before the politician who was secure of its before the politician who was secure of the politician who was secure of the po hose whom we know to be both true his power of retaliation, and before the has but a single Client, the People of the South, and brave. It may be that it would have unarmed citizen who proudly, but with instructions has but a single Client, the People of the Bourn, and orave. It may be that it would have the been better to be silent and only to think, superior force of character, asserted the United States, Maj.-Gen. P. H. Sheridan rights of maphood. Place and Jewelry cleaned, Starns effectually removed from Carpeis, Parmiture, Clothes, Paint, Varnish or marble, with the greatest facility and without fejiny to the material. It is a great saving of time and laner in washing clothes. It is the only known Boap which will wash Flannels with the case of cotton or lines without fulling or strinking. All these important objects can be effected without ness important objects can be effected with pary to the skin or the most delicate (a) The world is challenged to produce a soap which possesses so many valuable properties and which is so innocenous and safe. It is a home invention, and defies competition in any part of the world. It has become a necessity in Memphis, and its use is rapidly spreading throughout the South, and eventually will extend over the Yankee exacts, North and South America, Europe, Asia, Africa and Gesanica Manufactured solely by C. P. McGimsey, Memphis, Tenn, and sold at the following places in the dity at wholesale and retail: Page & Co. s. Dean's, Tayler's Brug Store, Popiar street; King's, corner of Third and Adams; Oliver & Co.'s Dean's, Tespon's Brug Store, Medison street; will soon be found at any respectable family grocery or drug store. The proprietor is determined that its manufacture shall keep pace with the rapidly extending demand for its use.

Near the city of Memphis, Tenn.
